Felton, Calif. – Hikers and lovers of the great outdoors will delight in Roaring Camp Railroads' Outdoor Adventure Program. The adventure begins with a ride on a 100-year-old steam train through an old-growth forest of coastal California Redwoods in the Santa Cruz Mountains to the top of Bear Mountain. At the summit, a hearty Dutch oven-prepared lunch awaits before the hike back to Roaring Camp. The train conductor and expert trail guide shares fascinating information about local ecology, history, conservation efforts and indigenous species. Picnic lunch is optional. Offered spring through fall; group minimums and advance reservations required. For more information, visit [www.roaringcamp.com](http://www.roaringcamp.com).
