Testimonials

"Roaring Camp Railroads is an amazing and unique venue. Both the reception hall and ceremony sites are beautiful, well-kept, and a visit to the site will show you just that. ... Everything went incredibly smooth thanks to Heather's preset plans. Many of our guests told us that it was the best wedding they had ever been to. We couldn't be happier with the result"

Trillium & Connor

"It was the most incredible day and we cannot recommend the venue highly enough. We were aiming for a venue that would be unique and match our relationship. Roaring Camp was all we could have hoped for and more. We took the train to the top of Bear Mountain and had our ceremony in Cathedral Grove. It was stunning, and returning by train to the Bret Harte Hall for the reception was equally as magical ... they are a well-oiled machine of turning successful, unique, fun, memorable weddings."

Emily & Jeff

"Roaring Camp Railroads was the perfect venue for our wedding. The steam train ride, beautiful redwood grove ceremony, and large, rustic reception hall made for a memorable experience for our guests. Heather and the rest of the staff were friendly, responsive, and easy to work with. The catering team created a delicious menu for us with great options for all diets. We appreciated that Roaring Camp coordinated so many parts of the day that would have required contacting separate vendors at other venues, like table and chair rentals, catering, and a bar. We had an amazing wedding day and Roaring Camp was such an important part of it. We can't recommend this venue highly enough."
