

2025 Group Facilities & Rates

A visit to Roaring Camp is a return to an 1880s California logging town complete with general store, depot, engine house, covered bridge, opera house and other vintage structures. Choose between an excursion on a 100-year-old Forest Train to Bear Mountain or an open-air Beach Train traveling along the San Lorenzo River Gorge to the Boardwalk of Santa Cruz at the shores of Monterey Bay.

Roaring Camp and its surrounding 180 acres of open meadows, towering redwood groves and pine oak forests are a favorite meeting place for companies, family gatherings and organizations. Its forested picnic areas in the Santa Cruz Mountains offer a beautiful natural setting. Unlike other parks, Roaring Camp offers activities and entertainment designed to keep your group together.
